

Clarification to Questions Submitted

**City of Santa Clara
Water and Sewer Utilities Department**

Response Number: THREE

RFP NAME: Sanitary Sewer Siphon Assessment

Date: March 11, 2015

TO ALL THE PROPOSERS:

Following is a list of questions the City received for the above mentioned RFP. In this document, City is providing responses to all submitted questions. The following clarifications to submitted questions are as follows:

Question 1:

What is the objective of the project? Are there future improvements being considered, or are these proactive measures?

Response:

City needs to assess and if needed, repair or rehabilitate existing siphons in its sanitary sewer collection system. The ranking of results will be based upon the PACP rating system. The goal of this project is to study condition of existing siphons.

Question 2:

What budget and schedule is the City anticipating for the project?

Response:

The proposer's response will provide the most effective methodology and schedule for the Assessment Study. The City would like the assessment completed by December 2015.

Question 3:

Who has submitted/addressed the RFP?

Response:

The RFP deadline for submission is 3/18/2015 @ 3:00PM. At this juncture no responses have been received.

Question 4:

What material(s) are the siphons composed of?

Response:

Refer to addendum #2 that replaces the Exhibit 2 Of the RFP with the siphon materials.
